

## Resolution # 4

### RESOLUTION TO AMEND THE NATIONAL BYLAWS OF THE VETERANS OF FOREIGN WARS OF THE UNITED STATES AUXILIARY

Whereas, some banking institutions are changing their requirements in order to change signatures or open an account.

Whereas, these new requirements include Articles of Incorporation.

Whereas, our Bylaws say we need VFW approval in order to incorporate which puts a delay on getting the banking account information updated.

And whereas, our Bylaws Sec. 917—Incorporation currently state

- No Department, District or Auxiliary chartered by the Auxiliary shall incorporate under the laws of the state in which it is located for any purposes whatsoever unless the respective Department/Post of the Veterans of Foreign Wars approves such incorporation.

- The approval shall be given in the same manner as for initial formation of an Auxiliary.

- The Articles of Incorporation of any such corporation include the provisions hereinafter

Specified:

Therefore, let it be resolved to remove all verbiage referring to VFW Post or Department approval and shall read as:

Sec. 917—Incorporation

- The Articles of Incorporation of any such corporation include the provisions hereinafter specified...
