Dear Sisters and Brothers,

Welcome to the 2025–2026 Program Year. ***From Sea to Shining Sea, Honoring Veterans Who Keep Us Free*** will be our overall theme, while a lighthouse will be the symbol that lights the way to honoring America's veterans, assisting their families and supporting our communities.

In planning for this journey, I spent a great deal of time thinking about all the special mentors who have given so much of their time, patiently sharing their experience and preparing us all for success. From Americanism to Youth Activities, from Guard to President — on all levels those mentors have led the way and taught us well. Today, it is time for us to become leaders, guiding new members and ensuring the success of our organization well into the future.

As we begin this new adventure, keep the lessons of our mentors in mind and much like the girl in the Starfish Story (see below), remember that no matter how insurmountable the task may sometimes seem, what we accomplish is important. Whether we are advocating for veteran-focused legislation, volunteering in hospitals or educating and encouraging young men and women, we cannot give up; we must not be deterred. Mother Teresa illustrated this beautifully when she said "We ourselves feel that what we are doing is just a drop in the ocean. But the ocean would be less because of that missing drop." What we do is essential. What we do matters.

Another life changing opportunity will be offered this year in our special project. With your help, we will be expanding and enhancing the VFW Auxiliary National Continuing Education Scholarship. We hope to increase the scholarship amounts. By supporting this project, we will be able to increase the educational opportunities of our members and families. Join me on this journey together; our ideas, energy and passion can and will make a difference in so many lives.

Be the Lighthouse in Someone's Storm.

Lois Callahan
National President

The Starfish Story

An old man was walking on the beach one morning, after a storm. In the distance, he could see someone moving like a dancer; as he came closer, he saw that it was a young woman picking up starfish and gently throwing them into the ocean. "Young lady, why are you throwing starfish into the ocean?" "The sun is up, and the tide is going out, and if I do not throw them in, they will die." "But young lady, do you not realize that there are many miles of beach and thousands of starfish? You cannot possibly make a difference." The young woman listened politely, then bent down, picked up another starfish, and threw it into the sea. "It made a difference for that one," she smiled.

Respect For Our Flag

Patriotism begins at home. Let's show our patriotism this year and love for the American Flag. Many years ago, when joining the VFW Auxiliary, it reaffirmed my love for this country. It made me proud to be an American, flying the American Flag and seeing the flags on the Auxiliary meeting floor. Every time I march in, carrying the American Flag, I was walking with my head up and proud.

Americanism is an unfailing love of country, loyalty to its institutions and ideas, a desire to secure the blessing of liberty and posterity and an undivided allegiance to the Flag.

As a member of the Auxiliary, it is our duty to show our patriotism by supporting veterans, their families, volunteering in our communities, promoting patriotism and flying the American Flag.

Honoring and respecting the American Flag is significant for several reasons. It is a tribute to the sacrifices and service our veterans made, and it is a symbol of our national unity and identity.

I'm A Proud American. Why are you a proud American? How do we show our pride in America? Who are the proud Americans? ***Show Your Patriotism.***

Flag Education

Organize educational programs and workshops within your community to teach the proper etiquette for displaying and handling the American Flag. Partner with local schools, civic organizations and other groups to spread awareness about the significance of the Flag and its role in American history.

Establish a program for the respectful disposal of worn or damaged Flags. Set up collection points at local VFW posts or partner with other organizations to ensure that old Flags are properly retired according to the guidelines outlined by the U.S. Flag Code.

Promote Patriotism

Patriotic Symbols and Traditions: Educate others about the meaning and importance of patriotic symbols and traditions, including the American Flag, the National Anthem and the Pledge of Allegiance. Share tips on how to properly display and honor these symbols in daily life.

Spotlight on National Holidays: Provide information and ideas for celebrating national holidays like Memorial Day, Independence Day and Veterans Day. Include tips on how to organize and participate in local observances that reflect the significance of these holidays.

POW/MIA Remembrance

Prisoner of War (POW) and Missing in Action (MIA) Remembrance Day is a solemn occasion dedicated to honoring the bravery and sacrifice of those who have endured captivity or remain unaccounted for while serving our nation. This day is crucial for recognizing the profound hardships faced by POWs, who suffered extreme conditions and personal anguish while separated from their loved ones. It also highlights the ongoing commitment

to account for those who are still missing, ensuring that their sacrifices are never forgotten. By observing this day, we reaffirm our collective responsibility to remember these heroes, support their families and uphold the values of honor and respect for all who have served in the defense of freedom.

Importance of Patriotic Instruction

The Patriotic Instructor is responsible for educating members about the history, symbolism and proper etiquette related to American patriotic symbols, particularly the American Flag. This education helps members understand the significance of these symbols and how to honor them appropriately. By sharing discussions, focused on Americanism in your Auxiliary meeting, the Patriotic Instructor can teach others to foster a deeper appreciation for the values and traditions that the VFW Auxiliary stands for. This role is crucial in promoting patriotism and ensuring that members uphold the principles of respect and honor for the nation.

Tools

Social Media Campaigns: Use social media platforms to share stories, events and patriotic messages. Use the current hashtags associated with the VFW Auxiliary to show other members how your Auxiliary is promoting patriotism. #AuxiliaryPatriotism.

Program QR Codes

QR Codes are used on just about everything. Members can use it as a talking point to explain about the VFW Auxiliary Americanism and patriotism. Most people will open it up and then they can find important information on the Americanism Program.

Flag Education • Promote #AuxiliaryPatriotism • POW/MIA Recognition • Star Family Recognition

The following definition of “Americanism” was originated by the Commanders-in-Chief of the Grand Army of the Republic, United Spanish War Veterans, Veterans of Foreign Wars of the United States, the National Commanders of the American Legion and the Disabled American Veterans of the World War at a conference held in Washington, D.C., in February 1927:

“Americanism is an unfailing love of country; loyalty to its institutions and ideals; eagerness to defend it against all enemies; undivided allegiance to the Flag; and a desire to secure the blessings of liberty to ourselves and posterity.”

Patriotic Instructors/Americanism Chairman

The Patriotic Instructor educates members about the proper salute to the U.S. Flag, as well as the recitation of the Pledge of Allegiance. They also take the time to understand the VFW Auxiliary Ritual and the Federal Flag Code. They help members to understand the traditions and ceremonies of the organization. The *Understanding Auxiliary Traditions* help sheet and video are available in MALTA Member Resources.

For detailed information on Auxiliary traditions, rituals and patriotic ceremonies, reference the VFW Auxiliary *Podium Edition: Bylaws and Ritual*.

Flag Education

A large part of demonstrating Americanism and patriotic spirit is respecting and properly caring for the U.S. Flag. Flag etiquette covers everything from proper display of our Flag to acceptable conduct around this symbol of our nation.

For more information about Flag etiquette, the history of our Flag and to read the U.S. Flag Code, visit vfw.org/community/flag-etiquette.

Respect for the Flag - Engaging the Community

- Flag Education in Schools – Educating our youth about patriotism is an important step on the path to good citizenship. Encourage members of your Auxiliary to volunteer in schools and educate youth about the importance of respecting our Flag. Volunteers can visit individual classrooms or give a presentation at a school assembly. For more resources, see MALTA Member Resources.
- Recognition of Outstanding Community Flag Display – When a community member, business or organization takes the care and time to display our “Stars and Stripes,” it reinforces patriotism to the entire community. You may recognize this display of patriotism by presenting a certificate of appreciation from your Auxiliary.
- Flag Retirement Ceremonies – These ceremonies honoring our Flag serve as one of the most beautiful forms of respect for our country. This is the perfect way to involve the whole family of Auxiliary and VFW members. Flag retirement ceremonies can also serve as an event involving the entire community.
- Promote Patriotism – Celebrating Patriotic Holidays. Patriotic holidays are an opportune time to involve the whole family and bring community attention to your Auxiliary. Patriotic holidays and days of note can serve as the perfect way to show that your Auxiliary supports patriotism, veterans and their families as a top priority. A list of these dates can be found in MALTA.

For more information and guidance on Americanism and Patriotism, including Patriotic Instructor duties, patriotic days, Americanism Helpful Hints, branches of service birth dates, military flags order of precedence and Star Family recognition, see MALTA Member Resources.

*As you shine your light, the world grows bright,
you are a beacon of love.*

Since 1914, the VFW Auxiliary has united individuals from all walks of life with a common purpose: to improve the lives of veterans, service members, their families and our **COMMUNITIES**.

Auxiliary Outreach is all about what we can do to help our **communities**. Perception is reality and the VFW and Auxiliary have made major strides in the last several years to try to change the perception of what our communities think we are all about. Many members of the community still view the VFW as that smoky bar where veterans sit telling old war stories.

With the intention of increasing our membership and promoting our Programs we need to become a positive presence in our local communities. Form a **partnership** with another organization to help make their event successful. Remember you cannot plan the event or give money to the event. You are simply there to volunteer your time. For example, if you volunteer at a Relay for Life event, your walk in the relay is not reportable, however you registering walkers or passing out water to walkers is reportable. If you give blood during a blood drive, that is not Auxiliary Outreach, however if you register donors and work the event with the Red Cross that is Auxiliary Outreach.

There has been some confusion since this Program began. Seasoned members remember the days we had Community Service, but this is **NOT THE SAME**

PROGRAM. Think of it this way, it is not volunteering for, but rather volunteering with. It is a donation of time, not money. The goal is work hand-in-hand with other organizations, getting our members out there while you wear something that says Auxiliary.

Here are a few basic steps in making your Auxiliary Outreach Program successful.

- Find local groups and organizations in need of assistance, ask what your Auxiliary can do to help.
- Discuss the project and vote at your meeting to accept your volunteer hours. Some organizations you partner with may have ongoing activities so you would just need to make a motion at the start of the year for that, others have events they plan in advance so that would need a motion for each new event.
- Form the partnership, at least one Auxiliary member needs to work the event.
- Wear your Auxiliary attire (shirt, hat, name badge, lanyard, jacket)
- Report the details, remember only report what doesn't fit under any other Program.

Finding partnership opportunities:

- Ask your members: most of us belong to numerous organizations. Don't forget to reach out to your members who aren't able to attend your meetings, they may want to partner with an organization and report their hours to you.
- Prepare a letter of introduction and send it to all groups or organizations in your community. Let them know who we are and what we do. Invite them to reach out to us if they need volunteers for any upcoming events.

- 

Did you know that almost every month has a day or week recognizing volunteerism? Please spread the word about these days and consider doing something special. I will be covering these in my Promotions.

AUXILIARY OUTREACH PROGRAM

Building Partnerships • Auxiliary Participating in Outreach

Auxiliary Outreach is partnering with organizations for the benefit of your community or its institutions. It is a donation of time, not in-kind or monetary donations. Auxiliary Outreach can enable VFW Auxiliaries to engage with their local communities, learn about their needs and collaborate to address them.

Auxiliary Outreach can:

- Be performed by people of any age, skill set or ability level.
- Benefit any group of people such as children, senior citizens and those with disabilities.
- Benefit animals, the environment and public spaces.
- Be done in communities of all types and sizes – rural, suburban and urban, small and large.

We partner to make a difference in our community, but we also receive benefits including:

- Helping others
- Learning new skills
- Meeting new people
- Developing a stronger sense of purpose
- Personal growth

Boost Visibility

Be visible and show your pride in the VFW Auxiliary by wearing Auxiliary-branded attire when you participate in Auxiliary Outreach. A shirt, jacket or hat with the Auxiliary emblem can start a conversation about the Auxiliary and what we do. It is also a great way to show members out volunteering in our communities and not just in our Post Homes.

Reporting

While emphasis is placed on our core VFW and Auxiliary Programs, we realize Auxiliaries also participate with other community organizations. Auxiliaries can now report and be recognized for such community work through the Auxiliary Outreach Program. Projects may be done by the Auxiliary alone or with the VFW Post. Collectively, all our volunteer hours need to be counted to effectively show the importance of the local VFW and VFW Auxiliary to the community.

Outreach and the VFW Auxiliary

When an Auxiliary partners with an organization outside our own, it should be considered Auxiliary Outreach if the project was approved by the Auxiliary and recorded in the meeting minutes prior to the project.

On rare occasions, such as a natural disaster or emergency community need, the project may be voted on after the fact. (When the Auxiliary votes to partner with another organization and only one member is able to show up, it still counts as Auxiliary Outreach.)

See the next page and MALTA Member Resources for examples of what does and does not qualify for Auxiliary Outreach.

Auxiliary Outreach is for projects NOT AFFILIATED with VFW or VFW Auxiliary Programs.

Volunteer work that is performed for the benefit of the Post or Auxiliary is NOT considered outreach service.

QUALIFIES

Spending time in a local homeless shelter kitchen serving meals, bussing tables or cleaning up.

Partnering with the police or fire department on bicycle or home safety training class.

Your Auxiliary approves helping a local cancer group set up their event or manning a booth.

Partnering with the garden club to clean up local parks.

Help a youth group collect food donations for the local food pantry.

DOES NOT QUALIFY

Taking comfort items to the local USO.

Donating trophies to a youth sports group.

Hosting a luncheon/dinner for a local organization.

Sending an Auxiliary check to support a charity that organized a walk-a-thon or run.

Collecting clothing and comfort items for homeless veterans at the Post Home. (This would be Veterans & Family Support.)

Passing the collection basket at church services.

*From the shining lighthouse we want to
honor the dead by helping the living.*

From the shining lighthouse we want to honor the dead by helping the living. This is done by distributing "Buddy"® Poppies within our communities; donations collected are used to aid veterans, service members and their families who are in need. While the Cross of Malta is a recognizable symbol of our organization, the "Buddy"® Poppy is a symbol that reminds Americans of the sacrifices made by our veterans while protecting our freedoms. This small red flower, inspired by the John McCrae poem "In Flanders Fields," has been adopted by veterans' organizations around the world as a reminder of what our veterans have sacrificed. There are now two options for the "Buddy"® Poppy; they are the traditional "Buddy"® Poppy and the VFW also has a metal "Buddy"® Poppy that is available. This new metal Poppy is nice for a collar or suit jacket.

History of the "Buddy"® Poppy

Distributing Poppies dates back more than a century, when it became the VFW's official memorial flower in 1922.

While you are distributing Poppies, you can hand out VFW National Home brochures and explain that this is one of the Programs supported by their donations. The "Buddy"® Poppy and VFW National Home go hand in hand!!

Here are some important things to consider when preparing for your "Buddy"® Poppy distribution:

- Identify potential volunteers within your Post and Auxiliary and gather them together for an informational meeting explaining the purpose of the "Buddy"® Poppy campaign.
- Plan for each volunteer to distribute a certain number of Poppies.
- Determine how many Poppies you should order based on the number of volunteers.
- Choose distribution dates. Memorial Day and Veterans Day are always a popular time, but any time is a good time to distribute this memorial flower.
- Stake out key distribution venues in advance. Choose high traffic areas and determine the number of workers you need to cover the locations. Ideal locations include storefronts, office or factory entrances and recreational areas. Make sure you get permission from the business owners before setting up shop. Post flyers, with permission, around town in key areas such as the post office, coffee shops, gas stations, etc. It will let people know when and where they can get a "Buddy"® Poppy. If your local newspaper has a community calendar section, be sure to let the editor know about two weeks in advance that you'd like to place your Poppy announcement on the calendar.
- Encourage your volunteers to smile and be enthusiastic during the distribution. If they appear friendly, it will project a good image for the VFW and Auxiliary.
- Make sure your volunteers wear their VFW or Auxiliary gear.

- Remind your volunteers that they are not “selling” Poppies but distributing them with the hope of getting donations. If you follow these simple steps, your “Buddy”® Poppy campaign is sure to be a success.

Where to get Poppies?

- Contact your VFW Post to order Poppies. Each “Buddy”® Poppy purchased by a Department for distribution contributes to the following:
 - One (1) cent goes to the VFW National Home
 - One (1) cent goes to the VFW National Headquarters Veterans Service Fund
 - One and a half (1.5) cent goes to the Department’s Veterans Service Fund
- Request the order form from your VFW Department Headquarters at least two to three months (8-12 weeks) in advance of your distribution date.
- Brochures, “Buddy”® Poppy distribution supplies and promotional items can be purchased from the VFW Store at vfwstore.org or by calling 1-833-VFW-VETS.

“Buddy”® Poppy

“Buddy”® Poppy

The “Buddy”® Poppy has been an integral part of the VFW community for 100 years. As the VFW’s official memorial flower, the Poppy represents the blood shed by American service members. It reiterates that we will not forget their sacrifices.

The Poppy movement was inspired by Canadian Army Col. John McCrae’s famous poem, “In Flanders Fields.” Poppies were originally distributed by the Franco-American Children’s League to benefit children in the devastated areas of France and Belgium following World War I.

The VFW conducted its first Poppy distribution before Memorial Day in 1922, becoming the first veterans’ organization to organize a nationwide distribution. In February 1924, the VFW registered the name “Buddy”® Poppy with the U.S. Patent Office. A certificate was issued on May 20, 1924, granting the VFW all trademark rights in the name of Buddy under the classification of artificial flowers. No other organization, firm or individual can legally use the name “Buddy”® Poppy.

Honor the Dead by Helping the Living

These small but mighty memorial flowers have raised millions for the welfare of veterans and their dependents. The Poppy Program also provides financial assistance in maintaining state and national veterans’ rehabilitation and service programs and partially supports the VFW National Home.

“Buddy”® Poppy Distribution Tips

“Buddy”® Poppy drives can be hosted at any time during the year – not just Memorial Day and Veterans Day. Try doing one at least once a quarter. If you have enough volunteers, host a monthly Poppy drive.

- Talk to your VFW Post about a joint drive and splitting the proceeds.
- Contact your city/town clerk’s office to see if a permit is required for your distribution event.
- Get permission from the desired distribution location(s) store managers/owners prior to promoting your “Buddy”® Poppy distribution event.
- Make sure all Auxiliary members know the time, day and place of your distribution event.

- Share information about your distribution event with your local paper and on social media. Post flyers in high-traffic areas such as grocery stores, coffee shops, the post office, etc.
- Ask for assistance from youth groups such as VFW and/or Auxiliary youth, JROTC, after-school, Scouts, Young Marines and faith-based clubs.
- Ask volunteers to wear Auxiliary- and/or VFW-branded clothing to both promote the Auxiliary and VFW and connect the distribution of poppies to the organization.
- Remind volunteers they are NOT SELLING “Buddy”® Poppies but DISTRIBUTING them for donations. Never refuse someone a “Buddy”® Poppy because they are unable to donate. A “Buddy”® Poppy honors all veterans.
- See the VFW’s “Buddy”® Poppy Chairman’s Guide for further assistance in setting up a “Buddy”® Poppy drive, as well as other helpful resources. The guide can be found in MALTA Member Resources.
- At the Auxiliary and Post level, all proceeds from Poppy drives are to be placed in the Relief Fund with receipts and expenditures in accordance with the Treasurer’s Guide and the *Podium Edition: Bylaws and Ritual*.
- Distribution of “Buddy”® Poppies should be included in every Auxiliary, District or Department activity including parades, patriotic events, membership drives, bingo or trivia nights, etc.
- There are many creative ways to distribute the “Buddy”® Poppy including window displays, posters, wreaths, remembrance walls, hats, event centerpieces, etc.

Two Versions of the “Buddy”® Poppy Are Available

- Traditional artificial flower “Buddy”® Poppy
- Tin tab “Buddy”® Poppy

Anniversary “Buddy”® Poppies

Special traditional artificial flower Poppies are available to VFW Posts celebrating their 25th, 50th, 75th and 100th anniversaries. The poppies are the same design as traditional poppies but come in silver for the 25th anniversary, gold for the 50th anniversary and diamond (iridescent white) for the 75th anniversary. VFW Posts currently in their 100th anniversary can order any color and as many as they need.

VFW NATIONAL HOME

The VFW National Home was founded in 1925 as a place where families left behind by war—mothers and children, brothers and sisters—could remain together, keeping the family circle intact even when their serviceman didn't come home. The VFW National Home serves as a living memorial to America's veterans by helping our nation's military and veteran families during difficult times.

Over the years, the National Home has met the changing needs of America's military and veteran families. Through it all, one thing has remained constant: the National Home's commitment to honor our nation's veterans and service members by providing help and hope for their children and families.

The VFW National Community

The VFW National Home located in Eaton Rapids, Michigan, has helped military and veteran families who need a fresh start. Families can live there rent-free for up to four years and have access to professional case management services, on-site licensed child care, life skills training, tutoring and other educational services, as well as recreational and community service opportunities. The National Home's community is open to families of service members, veterans and—recognizing that the effects of war can last for generations—descendants of members of the VFW and the VFW Auxiliary. The family can include one or both parents with one or more children.

Families find healing in a safe and peaceful environment of tree-lined streets with 42 single-family homes and facilities such as a gym, library, computer and science labs, day care center, playgrounds, fishing pond, hiking trails and more.

In accepting families to the program, only one thing is asked of them: They must be committed to making changes in their lives. To remain at the National Home, they are expected to demonstrate consistent progress toward family goals. Together, in partnership with the whole family, the National Home is dedicated to helping each family reach its full potential

For more information and to find help visit vfnationalhome.org and click on the Get Help button.

The VFW National Home, a 501(c)3 non-profit corporation, is governed by a seventeen (17) member Board of Trustees made up of VFW and VFW Auxiliary members, who as Life Members of the National Home, are dedicated to the mission of the National Home.

Health & Happiness Fund

One way the Auxiliary supports the National Home is through gifts of 10 cents per member to the Health & Happiness Fund. Contributions are critical since the campus and its programs receive no government funding. The Health & Happiness Fund supports the following at the National Home:

- Maintenance of Auxiliary-sponsored buildings
- Emergency repairs and renovations
- Christmas and graduation gifts

Donations can be made online in MALTA or by mail.

Making a gift is easy in MALTA. Gifts can be made by an entity (Auxiliary, District, Department) or by individuals.

To Make a Gift online in MALTA on behalf of an entity (Auxiliary, District and/or Department)

- The Treasurer logs in to MALTA
- Go to the Duties tab for the entity you are making the gift on behalf of
- Select Make a Gift shortcut icon
- Click on Make a Gift blue box
- Choose program and enter amount
- Click on I hereby agree to the terms and conditions of purchase

VFW National Home Life Membership and Associate Life Membership

Another way to offer support is by becoming a Life Member of the National Home. There are two types of membership. VFW and VFW Auxiliary members and organizations are eligible to become Life Members. Life Members may vote for the Trustees

who represent their National Home District and approve any proposed changes to the bylaws and articles of incorporation. Please be sure the VFW National Home has your correct name and email address; the bylaws and ballots are emailed.

Any individual or organization wishing to support the VFW National Home's mission can become an Associate Life Member. Associate Life Members do not have voting privileges. For more information on membership, visit vfwnationalhome.org/membership.

Other Ways to Give and Offer Support

- Become a Home Front Hero
- Purchase a Tribute Brick or a Centennial Garden Brick
- Purchase an item for the Tribute Park
- Gifts from your IRA, stocks and securities
- Amazon Wish List
- Create awareness by wearing VFW National Home apparel and distributing promotional materials.

VFW Auxiliary Sponsorship

The VFW Auxiliary has been involved in the National Home in myriad ways since the very beginning; as vocal supporters, fundraisers and volunteers. The National Home was the Auxiliary's first continuing Program and we named our first official National Home Chairman in 1927.

A few of our projects include:

- Hospital, now the Health & Education Center
- The Margaret A. Armstrong Guest Lodge and Memory Chapel
- Early Education Center
- "Home Life" building, now the Community Center, with a gym, auditorium, kitchen, elevator and additional office space
- National Home's new Welcome Center

EXTENSION & REVITALIZATION AMBASSADOR/ NATIONAL CHIEF OF STAFF

KARLENE BEAMS
National Chief of Staff

**201 Maplewood Court
Hot Springs, AR 71913-5628
501-762-2001
chief25_26@aol.com**

You can't stop the waves, but you can learn to surf!

The Chief of Staff may serve as the Extension, Revitalization and Mentoring Chairman. So, what is a Department Chief of Staff and how important is this appointment to the success of the Department?

As Chief of Staff, you are the important assistant to the Department President. You should be that extra set of eyes and ears we wish we all had. The Chief of Staff will be a coach, counselor and mentor to all levels of leadership in the Department. They must be knowledgeable in all facets of the Auxiliary including Bylaws, Programs and Mentoring for Leadership.

The Chief of Staff works with the Department President to identify the warning signs of an Auxiliary in trouble before situations occur. The Chief of Staff should be informed of all issues, good and bad, in the Department. The Chief of Staff should train the District Presidents or Official Representatives to recognize Yellow or Red Flag issues early in the Program Year. When they know what a healthy and functioning Auxiliary should be, they can report immediately any concerns to the Department President.

The Chief of Staff has tools available to aid in maintaining strong and healthy Auxiliaries in MALTA. Promote the usage of these resources, such as Building on the VFW Auxiliary Foundation. Promoting the use of MALTA will lead to more informed members.

The Chief of Staff is instrumental in the success of each Department. Their support assures that goals are attained, Auxiliaries are instituted, members are trained and problems are solved. Healthy Auxiliaries provided better service to our veterans, their families and communities. With the permission of the Department President, the Chief of Staff can assist where needed for the good of the Department.

*From Sea to Shining Sea - Honoring Veterans
Who Keep Us Free*

The VFW Auxiliary was built on a strong foundation based on the traditions established in 1914. With those traditions comes a sincere promise to safeguard the future of the Auxiliary. Each Department President has appointed a Department Chief of Staff to serve with them closely to ensure that Auxiliaries remain strong, enthused and loyal to our organization. These traits allow for the Auxiliary to remain proud, patriotic and energetic, creating members who honor and protect our veterans and their families. Our men and women in uniform have made a similar promise to our nation when they took their oath and promised to safeguard the future of our nation. They remain strong, patriotic and proud, so that we may enjoy freedom. Our foundation is solid – now it is up to us to remain strong.

The Extension & Revitalization Program can benefit every member of the Auxiliary through education. Keeping informed and becoming knowledgeable of our traditions and subsequent Programs will help us to mentor our members and prepare them for leadership roles. This is the heart of what we do in this Program.

Healthy Auxiliaries vs Struggling Auxiliaries

Green Flag - Healthy Auxiliaries

Auxiliaries that are healthy “are good to go.” They have utilized or referred to the Healthy Auxiliary Tool Kit found in MALTA. They have met the five (5)

essential requirements for an Auxiliary to be healthy. There are seven resources to assist Auxiliaries in identifying and solving issues within the kit. A Green Flag Auxiliary would be an excellent choice to mentor struggling Auxiliaries.

Yellow Flag - Struggling Auxiliaries

Auxiliaries that are struggling will need mentoring. It is up to the Department Chief of Staff, when requested by the President, to look to assist the Auxiliary. The District President or Auxiliary Representative must be honest in the assessment when completing the visit form after a visit to an Auxiliary. They have firsthand knowledge of the Auxiliary and must communicate any concerns to the Department President and/or Chief of Staff. This situation could be failure to meet any one or more of the five (5) essentials of an Auxiliary, but also a subtle sign such as not attracting new members, failure to complete Programs reports, not assisting veterans and families, no new Officers, or failure to attend District and Department meetings or trainings events.

The completed Official Visit forms should be shared with the Chief of Staff to peruse and perhaps pick up a “Yellow Flag” signal. As soon as struggle is reported, the Department Chief of Staff needs to work closely with the Department President and observe what is happening on the Auxiliary level and be ready to act.

Performance Improvement Plan

The process of arriving at a resolution would be that a Performance Improvement Plan (PIP) is put in place. A PIP Committee (not a suspension committee) is assigned to meet with the Auxiliary President, Secretary and Treasurer and under certain circumstances an individual member or members with the issues to discuss and develop a Performance Improvement Plan. This is the time to **OBSERVE** the Auxiliary and offer **MENTORING**. The President will pick the member or team that fits the Auxiliary – there is no one size fits all. The PIP Committee takes the lead and gradually gets the Auxiliary involved in correcting the issue; thus, the Auxiliary would not have to be put on suspension and the PIP Committee would advise the Department President that the Auxiliary could now be considered healthy. The PIP Committee should be able to attend their meetings and get them back on track. This is a critical time for an Auxiliary and

the spirit of kindness is an absolute must. This is **REVITALIZATION** at its peak.

Red Flag – the Auxiliary will be put on suspension as a time to step back and regroup. Suspension simply means there is some work to do to get the Auxiliary where it needs to be. The hope is that the Auxiliary will recover and come back stronger and better than before.

Extension

We need to make certain that the current Auxiliaries are in good working order. It is also important to make presentations to unaffiliated Posts and when possible, to institute new Auxiliaries. An Auxiliary cannot exist without a Post and there must be a 2/3 vote of the Post to get started. Positive and knowledgeable Auxiliary presenters are important when addressing a Post. The Chief of Staff should be aware of any unaffiliated Post presentations and attend if possible. Always ask the Post Commander for permission to describe the benefits of an Auxiliary to the VFW Post. Extension tools and presentations are available in MALTA Member Resources. Once the Post has approval to establish an Auxiliary, the Department President will appoint an organizer to work with the Post.

Mentoring

Training and educating members to be future leaders is why we mentor. We must ensure that the legacy of the VFW Auxiliary continues through strong and healthy Auxiliaries comprising members who are prepared to take on leadership roles to continue to move the VFW Auxiliary forward. Do not allow Auxiliaries to stay “anchored to the past” – technology is a wonderful tool that gives us the ability to reach so many members, which then allows us to continue the tradition and promise to take care of our veterans and their families. Blend the past with the present to guarantee our future. Mentors are counselors and cheerleaders. Focus on positive attributes and encourage those while offering guidance and training.

EXTENSION & REVITALIZATION PROGRAM

Maintain and Strengthen Current Auxiliaries • Present to Unaffiliated Posts

Establish New Auxiliaries • Recognize Red-Flag Auxiliaries

The Chief of Staff has a critical leadership role in our organization. One of the responsibilities of the Chief of Staff is to provide guidance and resources to VFW Auxiliaries so they can ensure that Auxiliaries are healthy and successful.

Chiefs of Staff work with District Presidents and the Department President to maintain current Auxiliaries. They encourage members, promote teamwork and provide guidance during challenging times such as suspension, consolidation or even the loss of a Charter. Chiefs of Staff also work closely with their Department President and organizers to establish new Auxiliaries.

5 Essentials of an Auxiliary

The National Organization requires only five (5) things of an Auxiliary:

1. Auxiliaries should have at least ten (10) business meetings per year. Five (5) members in good standing (of that Auxiliary) shall constitute a quorum for the transaction of business.
2. Dues should be paid by at least ten (10) members on or before February 1 of the current year.
3. Quarterly audits by Trustees must be submitted.
4. Officers elected, installed and reported to National Headquarters no later than June 30. This generates the bond application via email.
5. The offices of President and Treasurer MUST be bonded by August 31.

Establishing New Auxiliaries

Whether a VFW Post decides on its own it wants an Auxiliary or whether an Auxiliary member or non-member sees the potential for a new one, the steps for creating an Auxiliary are the same.

1. A VFW Post must vote by 2/3 majority to have an Auxiliary. (An Auxiliary can never exist on its own without a Post and can never be started without that Post's permission.)
2. The Department President appoints the official organizer of that Auxiliary, and the organizer must be a member of the Auxiliary.
 - It would help to allow two others who are knowledgeable with Auxiliary business and work well with others to be on an organizing team. They can answer questions and assist with training, educating and mentoring the new Auxiliary once it is instituted. It is recommended that the organizer and the organizing team work with the Auxiliary and its members for at least a year, or until they are ready to proceed as an Auxiliary in good standing.
3. A minimum of 15 eligible applicants must be on the Charter application. Transfers are accepted at the closure of the institution and just prior to the installation of the newly-formed Auxiliary.

The Department Chief of Staff could assist by providing the following tools for the organizer and organizing team:

- Talking points for the first meeting.
- A procedure for membership applications.
- When and how to collect dues.

- Assist in securing and filling out official and proper paperwork.
- See that deadlines and filings are met in a timely manner.

Recognize new VFW Auxiliaries

Recognize new VFW Auxiliaries at District and Department functions to help them feel welcome and important.

Maintaining Current Auxiliaries

The National Organization has developed many resources for members to use, including tools available in MALTA Member Resources. These resources have proven to be valuable tools in helping Auxiliaries be more productive.

1. The Healthy Auxiliary Tool Kit includes seven (7) resources to assist Auxiliaries in identifying and solving issues including the Healthy Auxiliary Checklist, Auxiliary Meeting Clinic and more.

2. *Building on the VFW Auxiliary Foundation* makes every effort to educate members on all aspects of the duties of Officers at all levels, how to be a Chairman, the why of reporting and more.

3. Saving an Auxiliary may be achieved by recruiting new members. Work with your Membership Chairman to help an Auxiliary become Healthy. (No new members = a true Red Flag)

Remember to use our additional Member Resources:

- "Understanding Auxiliary Traditions" video
- PowerPoint and PDF entitled "Why Having an Auxiliary Can Boost your Post"
- Top 10 Reasons for your Post to Have an Auxiliary Handout
- Good Job Certificates

Mentoring and Encouraging Members

- Mentoring helps broaden leadership skills and leadership provides guidance for mentoring members; they work hand in hand.
- A stronger membership on every level of our organization will be accomplished through mentoring.
- Through the mentoring process, extending the hand of friendship to a new member or even a tenured member who has been inactive for a while can create a strong and vibrant organization. Providing a positive and organized meeting experience will leave members wanting to come back, especially when effective communication and respect for each other is demonstrated.
- Over time, a member may express interest in holding an office or chairmanship. Work with them to help them succeed. This will only make the Auxiliary and the organization better. Choose the mentor carefully.
- The real goal here is to train your replacement and give them the tools they need to succeed.

vfwauxpahistorian@gmail.com

Embrace the Waves of Change

While tradition and history are revered in our organization, it's equally important that we find a way to look forward and ahead. While those tried-and-true methods of the traditional media outlets are still reliable and important to utilize, we must also realize that social media outlets are the way of the future.

We must remember that the future can learn from the past just as much as the past can learn from the future!

If we aren't sharing the stories of our Auxiliaries by using as many means of media as possible, including both traditional and social/digital, then those are missed opportunities for us all! We must continue to do our part to grow the Auxiliary as a whole.

Media

Social media platforms are the BEST (and fastest) way to get the word out about our Programs, our Auxiliaries and what we do for both our veterans and their families. Many of our seasoned members utilize Facebook while many of our younger members prefer Instagram. So, what is stopping your Auxiliary from utilizing these two social media platforms? Did you know that those two platforms can "talk" to one another, and you can cross-post to both platforms by linking your two profiles together?

Communication through traditional media outlets is also important. This includes our newspapers, TV, radio and newsletters.

It's so important to keep our current members up to date on what's happening with our Auxiliaries! Newsletters (both digital emails and printed) are a fantastic way to spread the information about what's happening at your Post and around your communities. Keep in mind that not everyone has an email address, and that is OK. So, what can you do to spread the word and connect with your membership?

- **PREPARE** a monthly or quarterly newsletter to be both mailed and emailed out for your members. Also include some copies at your Post home as well!
- **RECOGNIZE** those members who are celebrating birthdays, anniversaries, volunteer work, etc. Include dates of upcoming events!
- **UPDATE** your Auxiliary/Post Facebook page(s) regularly

Reels

This year, I would love to focus on Auxiliaries using and creating Reels to spread the word about our Programs and what you're doing in your communities! I bet you're thinking to yourself, "What the heck is a Reel?"

- Reels are full-screen vertical videos up to 90 seconds long. They feature a suite of editing tools and audio tracks, as well as trending voice/sound snippets. Reels allow you to add captions, stickers, and backgrounds; upload multiple video clips; use a range of filters and loads more!
- Reels can be made up of a single video, several clips edited together, still photos or some combination of photos and video. Reels can be posted to both Instagram (which has more than 1.3 billion users!) and Facebook. Reels have outstanding visibility and usually appear at the top of your feed.

- Descriptions and hashtags should be used for the Reels as well and those are easy to add.
- Visit MALTA Member Resources, Historian & Media Relations, to read about how to create a reel.

Department Historians & Media Relations Chairmen

Documentation of the National President's Official Visit to the Departments is a very important responsibility for the Department Historian. Each Department Historian should submit to me a slide show presentation (this can be done in PowerPoint, Keynote or Google Slides) including the following:

- A minimum of five (5) photos of the National President during her visit to your Department.
- A maximum of 10 slides may be used and should tell a story of events, fundraisers, meetings and ceremonies that take place throughout the year.
- All photos should be clear and not blurry.
- All slide show presentations should be emailed to the National Ambassador, shared via Google Drive or OneDrive, or submitted via snail mail on a flash drive to the National Ambassador. Must be received by the National Ambassador by April 30, 2026.

HISTORIAN & MEDIA RELATIONS PROGRAM

Historian Duties • Media Relations

The member responsible for Historian & Media Relations duties is a memory keeper, and collector of the five Ws: the who-what-where-when-and-why of your Auxiliary. These individuals compile and chronicle memories and events in written and digital formats, including photographs, memorabilia, print news, audio and/or video clips and social media posts. The Historian & Media Relations member captures the narrative of the Program Year. At the Auxiliary, District and Department levels, these members are the people who get the word out about the Auxiliary to our communities.

The Historian & Media Chairman is also the member who gets the word out about the VFW Auxiliary to our communities. They inform the public about activities, events and our valuable National Programs.

Auxiliary and District Historian & Media Relations

This member keeps a written report of the history of their Auxiliary or District and submits this to their respective President at the end of the year. Supplemental material can include photographs and newspaper clippings that document special Auxiliary events.

Department Historian & Media Relations

This member keeps a comprehensive record of the Department President's activities, and should include travels, Official Visits and other official functions. Collect material in written form to capture your Department's history in chronological order. As with the Auxiliary Historian & Media Relations Chairman, this position also compiles photographs and newspaper and/or video clips of Auxiliary news.

The Department Historian & Media Relations member also documents and photographs the National President's visit and may reach out to local media outlets to organize interviews and news opportunities for the National President.

National Historian & Media Relations

This member documents the travels and activities of the National President. Department-level reports and photos are essential for this job.

What's newsworthy?

Consider these questions: Does it involve local people? Does it interest non-members? Is it timely? Does it help the community? Is it unique and new? If the answer is yes, this is a chance for you to pitch a story with an "angle" that will showcase your Auxiliary's hard work and accomplishments. Let's show our communities, and our nation, everything we do to improve the lives of veterans, service members and their families.

Who Should you Contact About Auxiliary News?

Learn the names of reporters who cover stories most similar to yours and tailor your own list of media contacts. Send information directly to these contacts rather than the editor. News staff who specialize in relevant areas, like society and calendar page editors, are more likely to be receptive to including Auxiliary events. Feel free to send a reporter or editor a personal email and be sure to include your contact information.

*Caring for our veterans like the ocean
caring for the waves*

The Hospital Program is one of the oldest Programs in the VFW Auxiliary. There is so much we can do to show our support for our veterans through the Hospital Program. From fundraising to volunteering our time, we can help in many ways. The ultimate goal is to put a smile on their faces.

As a daughter of an Army veteran who served in the Vietnam War, granddaughter to an Army veteran who served in World War II, wife of an Army veteran, who served stateside and daughter-in-law of a Navy veteran who served in the Vietnam War, I have seen how important it is to have the availability and resources needed through the VA and/or hospitals for our veterans.

As we continue to support our veterans, we want to keep bringing the bright smiles of sunshine to our veterans' faces, as they are the stars of this great nation.

No matter their branch of service, they will see the light from the beacon of a lighthouse from afar or at home showing we are there for them.

The Hospital Program was set up to bring smiles to the faces of our veterans in hospitals. It has grown to include VA facilities and nursing homes. But what about the families? Think about our members who are in nursing homes. Visit them, bring them news of the Auxiliary, print the magazine for them, perhaps even read it to them if they are having vision issues.

Many Auxiliary members in nursing homes can still knit or crochet. I'm sure they'd love to still be active in our organization even though they can no longer travel to meetings or events. Maybe volunteer to do a monthly knitting circle, host a movie night or other projects/events at a nursing home. Veterans, Auxiliary members and others in the home can participate. Remember to think outside the box when volunteering at a VA, nursing home or hospital.

Some other ideas include:

- Making cards for our veterans, i.e. for Veterans Day, Christmas, Valentine's Day, even cards that just say hello. This may be a project that possibly can be done in conjunction with a youth group.
- Volunteer at a VA or Veterans Home, maybe help with an event or just visit with a veteran as sometimes they just want to talk to someone. The facility may have a rule that a patient or resident cannot be outside by themselves; someone must sit with them and the staff doesn't have time. You could be that someone. Check to see if there is a local hospital that has a program of any sort that helps with veterans. Some of this may help as a veteran may not be able to get out. Always remember to follow the rules of the facility that you are volunteering at.
- What about a sock hop? Buy little scarves or something to indicate the era. Play music of the times. Work with the facility on possible snacks.
- Coordinate with a local grammar school and the facility to do a trick-or-treat event. The Auxiliary can purchase the candy for the residents to give to the children. Your members and the veterans will love it.

No matter what we do we want to help bring a smile of sunshine to them.

Remember you can recruit members, non-members, youth and families. Make it exciting when asking them as they may be a little reluctant at first to want to volunteer. So, let's get out in our communities and volunteer and get to know our veterans.

I am looking forward to seeing what each state Auxiliaries are doing for our veterans in this Program. Get creative. And remember to let your Department know what you do.

HOSPITAL PROGRAM

Volunteer Recruitment, Recognition and Support

Valentines for Veterans • Women Veterans Health Care • Honors Escort

VFW Auxiliary members have been volunteering in hospitals and medical facilities since the organization's inception in 1914. The Hospital Program was one of the first nationally adopted Programs for the organization. This Program plays an important role to provide care and compassion to veterans while helping them feel included and appreciated.

Who Can Volunteer?

Members, non-members, youth and families can volunteer in many different types of facilities under this Program. They include local hospitals, veterans' homes, nursing homes, both VA and non-VA medical facilities and clinics.

Who Can Serve?

Members, non-members, youth and families.

What Can We Do?

Volunteer opportunities are based on the facility where you are volunteering. Some facilities will have a volunteer program in place with specific jobs, events and needs. Many facilities will have a variety of opportunities to suit different ages and abilities. Be sure you follow all the guidelines given by that facility and regularly ask how you can assist them.

Volunteer Recruitment, Recognition and Support

New volunteers are needed every day across the country. Volunteers offset millions of dollars in expenses in health care. They help create a friendly and caring atmosphere no matter where they volunteer. Here are tips for recruiting and keeping volunteers:

- Provide a monthly sign-up sheet for regular events.
- Email and phone call volunteers for special events.
- Offer public recognition of current volunteers.
- Be specific about what volunteers will be doing, including the time commitment.
- Find out how each person communicates best, whether by phone, email, Facebook or texting.
- If someone says "no" to the first invitation, be sure to ask again!

Volunteer Recognition

For volunteer hours, VFW Auxiliary Hospital Volunteer Service Pins and Bars, sponsored hospital Volunteer Pins and Hospital Recruiter Charms are available from VFW Auxiliary National Headquarters. A Veterans Affairs Voluntary Service (VAVS) Representative or VFW Auxiliary Hospital Chairman must complete the official application form in MALTA Member Resources. For this year's current initiatives and awards, please see the Hospital Programs Awards page.

Additional ideas for volunteering including **Honors Escort, Valentines for Veterans** and **Women Veterans Health Care** can be found in MALTA Member Resources.

LEGISLATIVE AMBASSADOR

Lighting the way between veterans' families and legislators with a wave of gratitude.

*Thank You for Your Service –
Turning our Gratitude into Action*

Every time we say, “**Thank you for your service,**” we are acknowledging the sacrifices made by veterans and their families. But we can go beyond words and translate gratitude into action. Our Legislative Program empowers us to advocate for policies that improve the lives of veterans, service members and their families by turning our appreciation into meaningful legislative advocacy.

Consider lighting the way between veterans’ families and local legislators by facilitating roundtable discussions, veterans’ families could share their experiences and legislators could learn firsthand about the impact of legislation on veterans and their families’ lives. These discussions are not only about advocacy but also about ensuring our legislators understand that behind every policy is a story of service and sacrifice.

Follow up with Gratitude

After in-person meetings with local legislators, follow up with an email or thank-you card. The thank you could include a QR code linking to a video of veterans from your community affected by those policies. This will reinforce the impact of the discussion and keep the advocacy message alive.

Legislative “Gratitude Days”

Establish specific days of action where Auxiliaries commit to contacting legislators with a message of thanks, while also urging them to support legislation that benefits veterans.

- Think about key dates, such as Veterans Day, Memorial Day, Vietnam War Veterans Day, Armed Forces Day, or the birthdays of the U.S. Military Branches.
- Include social media campaigns and community engagement.
- Include the youth in your activities.

Thank-You Notes with a Purpose

Host a note-writing campaign where handwritten thank-you notes to veterans are paired with QR codes or links that direct recipients to the VFW Action Corps Weekly sign-up page or the VFW Priority Goals. This can add a layer of engagement, turning gratitude into action. Veterans in the community will feel appreciated, and they will be empowered and engaged with ongoing legislative efforts. Connecting this activity to a community veterans recognition event is one of many ways to reach our veterans.

Veteran Advocacy Training

Prepare Auxiliary members to become powerful voices in legislative advocacy. Organize training workshops for members, teaching them advocacy skills and strategies for engaging lawmakers.

- Use MALTA Member Resources, Legislative.
- Utilize online tools and resources from your local and state government.

- Educate members about how we are non-partisans; we support legislation that improves the lives of veterans and service members.
- When joining the VFW on Capitol Hill during the Legislative Conference in D.C., always allow the VFW to take the lead when speaking to our legislators.
- Open the Action Corps Weekly, lack of activity will result in removal from the mailing list.
- Push the button on Action Alerts from the VFW.
- Use the VFW Auxiliary Legislative hashtag #AuxLegislative.

Be An Advocate • Be Informed • Be Engaged

One of the main objectives of the Legislative Program is to improve the lives of our veterans, service members and their families through advocacy. Your efforts, combined with nearly 1.5 million other VFW and Auxiliary members, can influence lawmakers whose decisions affect veterans and their families every day.

Study the issues laid out clearly in the VFW Priority Goals. The VFW focuses on these to strengthen and ensure an adequate VA system for millions of current and future veterans.

The goals are grouped under six areas of concern:

- Budget
- Health Care
- Disability Assistance and Memorial Affairs
- Education, Employment and Transition Assistance
- Military Readiness
- National Security, Foreign Affairs and POW/MIA

These goals are released in January of each year by the VFW on the VFW National website:

By testifying at committee hearings and interacting

with congressional members, the VFW played an instrumental role in nearly every piece of veterans' legislation passed in the 20th Century, as well as bills developed in the 21st Century.

One of the most crucial responsibilities of the VFW Washington, D.C. office is to actively lobby Congress and the administration on behalf of veterans. The office monitors all legislation affecting veterans and alerts VFW and Auxiliary members about key legislation under consideration.

The VFW and VFW Auxiliary advocates for veterans by testifying at hearings, interacting with Congress and fighting for justice. The VFW has played a key role in many major pieces of veterans' legislation.

VFW-SVA Legislative Fellowship

To continue empowering tomorrow's leaders, the Veterans of Foreign Wars (VFW) and Student Veterans of America (SVA) hosts the VFW-SVA Legislative Fellowship, providing exemplary student veterans the opportunity to make their voices heard on Capitol Hill and in their community. This program has been held annually since 2014.

During the VFW event, they will engage with Congress members, educating them on the challenges faced by today's veterans. Fellows can also join VFW advocates from their respective states and form teams to directly meet with the leadership from the committees responsible for veterans' issues, including the House and Senate Veterans Affairs Committees.

I am the Ocean.

I am the ocean because our National President Lois Callahan's theme is ***From Sea to Shining Sea, Honoring Veterans Who Keep Us Free***. The ocean can be calm or filled with storms. Our Auxiliaries are the lighthouses in the ocean that cover a large area. The ocean can be calm as well as rough. When our membership is prospering things are calm. When membership is down, we face rough times. Tides and waves come in different sizes; Auxiliaries come in all different membership sizes.

Having a strong membership base is what draws someone to become a member of that organization. Our membership is the core of our organization. As members, we have the responsibility to help the families of our veterans and foster true patriotism. To make sure that our elected government officials both locally and nationally stand up for our veterans and their families.

Recruiting New Members

How are we going to carry out what our organization was chartered to do? By recruiting new members and assuring our current members stay a vital part of our Auxiliary. If you look at the VFW membership number versus the Auxiliary, we can do better. We joined to give **Honor to our Veteran(s)**.

We have an easy tool to figure out who is eligible by using the Membership Eligibility Wheel. It's quick because the wheel shows family members

who qualify to join. Your prospective members may have question about the Auxiliary. We have a quick solution. Almost everyone has a smartphone or tablet with them or within reach. Our newest Membership tool is our QR code (located at the end of my Program page). All your prospective members will need to do is scan the QR code, which will direct them to the VFW Auxiliary website. They will be welcomed with a history of our Auxiliary. As they scroll, they will come upon a downloadable Fact Sheet, Membership Application and Membership brochure. They will then be able to enter their location to find an Auxiliary nearest to them.

In MALTA, find a fillable and downloadable business card template that Membership Chairmen, or anyone who wants to assist with recruiting, can fill out, download and print. The recruiter could give the business card to the potential member. Always remember to gather the name and contact information of the potential member for follow up within two weeks. Remember to sign the application, so you get credit for recruiting the member. The application goes to the Investigation Committee to confirm the candidate's eligibility. Auxiliaries have several members trained in the applications review process. Remember that a VFW member can also recruit an Auxiliary member. They are also given credit for recruiting that member.

I'd like every Department, District and Auxiliary Officer to ask their VFW counterpart if their spouse and family members are members. If they are not members get them to join. Here are some ways to recruit new members.

- Joint VFW/Auxiliary open house
- Exclusive Membership drives
- State/County fairs (with prior approval)
- Patriotic gathering (with prior approval)
- Newspaper article
- Partner with your Program Chairmen from Extensions & Revitalization, Youth Activities, Scholarships, etc.

Retaining Members

We also have a responsibility to retain our current membership. Each member we have has something to contribute to our existence. Sometimes our members may experience a time in their lives where they face a financial concern. When this occurs, our seasoned members may delay paying their dues or even forget. We get it, but we do not want to lose these valuable members. We can assist these members in several ways. Consider adopting this member and paying their dues. Consider having a fundraiser or raffle in your Department, District or Auxiliary which will be used to pay dues or purchase a Life Membership for a member or members. The ultimate way of keeping a seasoned member is member-to-member(s) gifting. Remember, if you choose to pay for a member or members, this must be voted on by the Auxiliary or included in the standing rules, i.e., the standing rules state that Auxiliary 1234 will pay dues for every member age 85 and older. These are just a few ways to retain membership. Within your Departments, Districts and Auxiliaries, you know what works.

Resources

Utilize the Membership tools you can find on MALTA, they will assist you with recruiting and retaining members. Always remember we Joined to **Honor Our Veteran(s)**. When recruiting a new member share a tidbit on your veteran who allowed you to join. My eligibility was a two-step process. The first was my amazing father, PFC Anthony Maruszak, who served in the 8th Army Engineer Corps in the Korean War. My second opportunity came when the Auxiliary allowed males to become members. When recruiting, say your veterans' name as a way of letting the prospective member know you let them live on through you as a proud member of the VFW Auxiliary. Who is your veteran you honor?

Conference Coaches have the responsibility to ensure our membership prospers. These Coaches know membership and will work with each of their states Membership Chairmen. They will get to know each of them on a personnel level so they can achieve our membership goal.

Conference Coaches will work within their Conference to provide the necessary support needed to strengthen our membership with new members. Revitalize our current members with mentoring opportunities. We will work to increase our membership. They will attend their respective Conference meetings to promote Membership. Your Membership Ambassador might even attend these meetings.

Continue your veteran(s) legacy by retaining your membership and recruiting new members so your veteran(s) will continue to live on through you as member of the VFW Auxiliary.

MEMBERSHIP PROGRAM

Invite New Members • Include Current Members • Invest in the Future of the Organization

The VFW Auxiliary started with a small group of women who wanted to serve veterans; it has grown exponentially and now includes both males and females as members. There is only one way to add members: ask someone to join. And once they join, ask them to participate.

Invite Someone to Join

There are numerous places and times to ask someone if they want to join the VFW Auxiliary. Your approach will look different depending on who your audience is.

In all cases, the potential member should have some knowledge of what the VFW Auxiliary is and what we do before they ever receive an application.

Remember to reach out to your VFW Post members periodically to see if they have family members who may want to join.

What We Do

Our programs are designed to bring needed services, information and assistance to improve the lives of veterans, service members, their families and our communities.

When someone joins the VFW Auxiliary, they will have the opportunity to:

- Support veterans, service members and their families.
- Develop new skills.
- Network and develop friendships.
- Enjoy member benefits.

Follow Up!

The first time you talk to someone new about the organization, that person may not be ready to commit. It's important to ask for their contact information and then follow up within a week.

Include Them in Meetings and Events

The key to keeping members is getting them involved. Call or email a new member within a week with the next meeting date and time, or the next possible event or project. Offer to pick them up or invite them to get coffee before or after a meeting.

Put a team of members in charge of contacting new members or members who haven't been to a meeting recently. The team should be friendly and knowledgeable about the Auxiliary.

Ways to Encourage Participation

- Provide a monthly sign-up sheet for regular events.
- Send emails and make phone calls for special events.
- Public recognition of current volunteers. (Consider posters at your VFW Post Home, if permitted, that spotlight member involvement.)
- Be specific about what they will be doing, including the time commitment.
- Find out how that person communicates best, whether by phone, email, Facebook or texting.
- Have another member stay with them for the entire length of the activity or event.
- If they say "no" to the first invitation, be sure to ask again!
- Plan family-friendly events! Members with children in the home want opportunities to do things with their family.

Invest in the Future

- New members can bring new life to your Auxiliary.
- New members provide additional volunteers.

Have a Plan

Every Department and Auxiliary should have a Membership Plan. This plan should include:

- Contacting current members.
- Reaching out to former members.
- Recruiting events for new members.
- Picking a mentor for a new member.
- Before a membership year begins, set your calendar for these events:
 - o Make it as easy as possible for members to renew their dues. They can renew online in MALTA!
 - o Plan recruiting events in your community each year. This can be done by the Auxiliary or in conjunction with your VFW Post.

Important Tools:

- Fact Sheet, available for free from National Headquarters.
- Business card with contact information/ Auxiliary keychains with Membership QR code. (Order yours from the VFW Store, vfwstore.org.)
- MALTA Member Resources.
- Auxiliary Membership Information QR code:

*Shine your light -- others will be
drawn by your brilliance*

My interest and excitement for the Scholarships Program comes from my direct involvement in and from seeing firsthand the incredible talent and creativity possessed by our youth and our members, their spouses and children.

A 2023 trip to Washington, D.C. as Department President allowed me to be there for the presentation of the awards for VFW scholarships – a full circle experience that showed me how vital it is to recognize and reward talented youth and how it enriches the lives of those who participate. This is why I am excited to serve as a National Ambassador and promote our Auxiliary Scholarships. Our communities benefit directly on many levels from the Scholarships Program, and we need to show just how valuable this Program really is. The excitement and creativity that you show all year long in this Program is the key to making it work!

Continuing Education Scholarship

We have had fewer applicants than we hoped for with this scholarship contest. It is a well-kept secret that shouldn't be a secret at all! It is vital that we get the word out to our members who, along with their family members, are the individuals who qualify for this opportunity.

In addition to getting more and more members, their spouses and children to apply for this

scholarship, we also want to grow the Continuing Education Scholarship escrow fund so we can award more money to students per Conference, per year. This is VFW Auxiliary National President Lois Callahan's special project for her year, as Continuing Education is close to her heart. When she returned to college in her late 20s, she benefited from help with tuition, books and supplies that made balancing studies, work and life more manageable.

Find more details on how to contribute to Lois Callahan's special project at the front of this book.

Young American Creative Patriotic Art Contest

The VFW Auxiliary has been recognizing talented young artists for more than 45 years through its Young American Creative Patriotic Art Contest. We need to spread the word about this scholarship to the areas where the young artists are like schools, churches, skate parks, restaurants, etc. Use your imagination – better yet, get some ideas from your kids and grandkids! Talk to youth leaders, teachers and counselors for other ideas and suggestions. Be sure to get permission from schools and businesses before posting information about our scholarship contests.

The Scholarships link on the VFW Auxiliary National Website contains everything that you need to learn about our scholarships; how to apply, where to submit the entry, etc. Use the information listed there to ensure that you follow through with all necessary steps and meet deadlines.

3-Dimensional Patriotic Art Contest

This contest is the newest for the VFW Auxiliary. The 3-Dimensional Patriotic Art Contest is also available to students Grades 9-12.

All Patriotic Art brochures are available to order from National Headquarters or download from

MALTA for you to use to get the word out to as many people and community partners as possible. NEW this year for 3-Dimensional Patriotic Art is a requirement that students submit a photo of their art prior to mailing to HQ. Why? Because each year, National sadly receives broken art, and in order to judge students' wonderful work, we need to see what the art was truly meant to look like.

I'd like to focus on the importance of packing this precious cargo. Let's get the word out to students, parents, teachers and others about just how crucial it is to carefully pack these fragile pieces, and all art pieces, as they can get damaged in the mail. The last thing we want is to have to break the news that a beautiful piece was damaged, or worse, destroyed, in transit.

VFW Patriot's Pen and Voice of Democracy

The VFW Auxiliary has long been a supporter of these very worthy scholarships for students in grades 6-12. The VFW Patriot's Pen is a short-written essay for students in Grades 6-8 addressing a theme determined by VFW. The VFW Voice of Democracy is a Grades 9-12 vocal recording of a written essay. Please consult the VFW National website for additional information and aids.

A rising tide lifts all veterans to success!

As a spouse of a recently retired soldier from the Army and as an Army employee myself, I am passionate about ensuring that every service member, family member and veteran/retiree feels valued, supported and celebrated as much as possible. **You can say that I'm always charting a course to help our veterans!**

Our veterans have sacrificed so much for us, and it's our time to do our part to give back to them. This year, our main focal points will be:

- VFW-Based Veterans Assistance Programs
- Veterans' Mental Health Awareness
- Veteran and Veteran Spouses Employment

Veterans and Military Support Programs and National Veterans Service

The VFW takes care of those "here," who took care of us "there," regardless of where "there" may have been. We have Veteran Service Officers in every Department, dedicated to helping our veterans obtain the benefits they sacrificed so much for. Additionally, there is a plethora of other programs such as VFW Financial Assistance for Service Members and the Military Appreciation Program (MAP), designed to help provide a bridge over the hard times and help our veterans get back on their feet in times of need.

Other tangible means of assistance include supporting units during all phases of deployment. Whether your local National Guard unit is mobilizing and traveling for pre-deployment training, has deployed downrange and needs some homespun holiday cheer or are headed home and need some snacks as they go through their homecoming processing, there are multiple ways to thank them and ensure they receive the support they deserve. The VFW has financial grants that are available to help with events held by our Auxiliaries and Posts to support and recognize our troops. Never forget that the troops serving today, along with their families, will be the next wave of members!

For more information, visit the VFW website at: vfw.org/assistance

Suicide Prevention and Mental Health Awareness

Many combat veterans are still at war... with a mind and heart struggling to process what they have seen and had to do. We must remember that the battle isn't over when they unlace their boots. In fact, when those boots come off for good is when the fight truly begins for a large percentage of veterans. The Auxiliary can never stop ensuring that people are aware of the warning signs of ANYONE possibly considering ending their life. Always promote that help is a call or text away at 988 (Press 1)!

Employment Assistance for Veterans

Once a service member separates from the military, they are walking away, not only from a job but a whole very structured lifestyle. They need to adapt to the civilian world and it's not always easy. Quite often, their spouse experiences the same difficulty because they either have had to continuously change jobs due to military

relocation or they just remained out of the job market and now they must reenter it. Regardless of why, the veteran and/or their spouse must adapt to the current market. Consider working with local employers to host a job fair or job skills seminar for your local veterans and their spouses. It's vital they see that we stand ready to assist them!

So, let's celebrate our service members, veterans and families as they've never been celebrated before. Let's show the world that a **rising tide lifts all veterans to success!**

VA Claims & Separation Benefits

The VFW's **National Veterans Service (NVS)** was established to help all veterans, service members, their families and survivors. NVS consists of a nationwide network of VFW Accredited Service Officers and Pre-Discharge Representatives who are experts in navigating VA processes and are the key to your success. VFW Accredited Service Officers are with America's veterans every step of the way once they're ready to file a claim. This is a service the VFW is proud to offer — **FREE OF CHARGE** — to anyone seeking assistance with the claims process.

Pre-Discharge

The VFW Pre-Discharge program was established in 2001 through a cooperative initiative with the Pentagon and the Department of Veterans Affairs. This program ensures separating and retiring active-duty military personnel receive assistance in obtaining their VA entitlements and benefits upon discharge. Pre-Discharge offices are located on or near major military installations across the country.

Additional information, links and forms are located on the VFW website:

<https://www.vfw.org/assistance/va-claims-separation-benefits>

Military Appreciation Program (MAP)

The VFW Military Appreciation Program (MAP) is the outstretched hand between the local VFW and military community, offering support around the world. Since 2005, MAP has sponsored events supporting service members and their families.

A large part of MAP is the **Adopt-A-Unit** program, providing VFW Posts with the opportunity to adopt hundreds of military units around the world. Adopt-A-Unit's goal is to develop supportive relationships with units before, during and after deployments to help deliver the vast network of resources the VFW has available to the military. Unfortunately, VFW Auxiliaries will no longer be eligible to request this money. This does not affect the VFW Auxiliaries' ability to request Foundation grants.

Additional information, links and forms are located on the VFW website:

<https://www.vfw.org/community/troop-support>

Student Veteran Support Grant

The VFW recognizes that both funding and support for our student veterans and dependents at institutions of higher learning can often be difficult to find. The **VFW's Student Veteran Support Grant** offers much needed assistance to support specific student veteran events. The grant, administered by the VFW Washington Office, focuses on supporting the overall student veteran population within the community, which consists of many student veterans at campuses across the country that are not affiliated with an Student Veterans of America chapter. The grants will be disbursed to a VFW Post or Department that has submitted an application, to support the student veterans at the university or college.

VFW Foundation Grants

- **VFW #StillServing Grant**
The #StillServing Grant is offered exclusively to VFW Posts, Districts and their Auxiliaries to offset expenses incurred while doing community service projects.
- **Uniting to Combat Hunger Grant**
The Uniting to Combat Hunger & Homelessness Grant is a limited matching grant available to VFW Posts or Auxiliaries for monetary, food, or item donations to local food banks, pantries or homeless relief organizations in their communities.
- **Post Assistance Grant**
The Post Assistance Grant is offered exclusively to VFW Posts to offset expenses incurred for building repairs and equipment that enhances or restores the applicant organization's ability to serve veterans and their community.

More information about VFW Foundation Grants is located on the VFW website:
<https://www.vfw.org/community/community-initiatives/post-grants>

Disaster Relief

The Veterans of Foreign Wars of the U.S. is accepting donations to help veterans, service members and military families impacted by natural disasters. The VFW's Disaster Relief Fund provides our organization with the opportunity to react quickly with immediate relief to those in the affected areas.

Uniting to Combat Hunger

In 2018, the VFW and Humana created Uniting to Combat Hunger (UTCH) to actively address food insecurity across America with an emphasis on the military community. VFW Posts and Auxiliaries are integral to making a positive dent in food insecurity and veteran homelessness.

For more information about UTCH, please contact the VFW Foundation at foundation@vfw.org.

VFW Mental Wellness Campaign

The purpose of the project is to educate VFW and VFW Auxiliary members, veterans and communities about the important topic of mental health and wellness and offer proven tools to intervene on behalf of veterans in crisis.

In order to raise awareness, foster community engagement, improve research and provide intervention for those affected by invisible injuries and emotional stress, the VFW has teamed up with the nationwide organizations **Give an Hour** and the **Campaign to Change Direction, One Mind, PatientsLikeMe** and the **Elizabeth Dole Foundation** to combat this critical issue.

Find links and learn about resources and support to change the stigma surrounding mental health on the VFW website:
<https://www.vfw.org/assistance/mental-wellness>

Veterans Crisis Line

The Veterans Crisis Line connects veterans in crisis and their families and friends with qualified, caring Department of Veterans Affairs responders through a confidential toll-free hotline, online chat or text. Veterans and their loved ones can dial 988 then press 1, chat online, or text 838255 to receive confidential support 24 hours a day, 7 days a week, 365 days a year.

YOUTH ACTIVITIES AMBASSADOR

*Like seashells, we are beautiful and unique
with a story to tell.*

When I joined the Auxiliary 20 years ago, I would never have dreamed that I would find such a great passion in working with today's youth and how it would help my love and commitment to the VFW Auxiliary grow. The youth of today are the members of the future and what we show them now by promoting patriotism, being kind and active in our veterans' lives and communities, will make the difference to how we are portrayed by their families.

Reading Buddies

Be a "Reading Buddy." We sometimes forget that we have many children that are being left behind in schools due to issues concerning reading and comprehension, but if just one person in each Auxiliary could reach out and help a child become a better reader through reading one-on-one or electronically, imagine what an impact we could make in their daily lives and self-confidence. You can use the Patriotism through Literacy reading list in MALTA or talk with the child's parent, teacher or guardian that you have buddied up with to help find out what their interests are, and what reading level books to look for.

- Contact your local Family Readiness Groups, Scouts, schools and after-school program coordinators to see if they need volunteers to help read with the kids.

- Hold a Reading Buddy day at your VFW Post.
- Be a Reading Buddy by using Zoom or the telephone.
- Use the **#auxreadingbuddy** to promote what you and your Auxiliary are doing in our Reading Buddy program.
- Be sure to get proper permission from schools and parents and require that parents/guardians also attend Reading Buddy Post events.

Youth Groups

The VFW Auxiliary is no stranger to working and assisting today's many different youth groups, but have you thought of thinking out of the box and sponsoring a school or after school program involving our youth? This could be a local youth Theatre group, Robotics/STEM group, Academic Challenge team, Key Club and Good News Clubs. Being an Auxiliary member and a part of something as special as the VFW Auxiliary gives us a family of brothers and sisters with a variety of special skills and ideas that can be shared to make a difference with today's youth.

Be sure to get proper permission from schools and parents and require that parents/guardians also attend Reading Buddy Post events.

Illustrating America

The Illustrating America Contest is a phenomenal way to get our younger students, and their families interested in learning more about what the VFW Auxiliary does for our heroes and communities. This contest is a way to not only give our elementary and middle school students a chance to be creative but to also promote the VFW Auxiliary Young American Creative Patriotic Art scholarship contest. Please see more information on page 52.

R.A.P. Cards and Youth Acts of Kindness Certificates

Encouraging today's youth by letting them know that they have been seen is priceless in their eyes. I want to encourage you and your Auxiliary to continue to use the Random Acts of Patriotism cards for children that you see showing respect to the Flag, saying the pledge of the allegiance or honoring our country and heroes, but this year I would like to see our Auxiliaries using the Youth Acts of Kindness Certificate that is available in MALTA Member Resources. This would be given to youth being caught in the act of kindness. This is another way to celebrate our youth and to let them know that we see them. See examples as listed on this page.

YOUTH ACTIVITIES PROGRAM

Sponsoring and Working with Youth Groups

Youth Groups Supporting Our Veterans Citations • Patriotic Youth Award

Patriotism through Literacy • Illustrating America

The VFW Auxiliary is in a unique position to help teach our youth the skills to become responsible adults through serving our country, communities and veterans. We have a new generation of veterans who need the support of family, friends and country as they serve overseas and when they come home from conflicts abroad. Today's youth are the future of our nation.

Sponsoring and Working with Youth Groups

As part of the Auxiliary Youth Activities Program, an Auxiliary can sponsor a youth group and engage youth in any one of our Programs, including activities to honor our veterans or assist our service members and their families.

Take advantage of the service aspects some youth groups require. Many youth-focused organizations require various types of community service or activities to earn merits in their units. College-bound seniors earn school credit for some of these same activities.

Remember that involving youth in service to veterans in conjunction with your Auxiliary can bring new membership to your Auxiliary. When youth and the whole family are included, members feel more invested in your Auxiliary. Sponsorship of a youth group can create a bright future for your Auxiliary, veterans and the community as a whole.

Youth Groups Supporting Our Veterans Citations

The Youth Groups Supporting Our Veterans Citation is one way for Auxiliaries to recognize youth groups for their efforts and service projects honoring our veterans and assisting service members and their families. The Youth Groups Supporting Our Veterans

Citation is available in MALTA Member Resources under Youth Activities.

Patriotic Youth Award

The Patriotic Youth Award is designed to recognize individual youth for their patriotism and/or support of our veterans, service members and their families. A fillable, printable version of The Patriotic Youth Award is available in MALTA Member Resources under Youth Activities.

Patriotism through Literacy

Promote and support reading among youth with this simple, fun and potentially free (use your local library) initiative. Introduce youth to historical figures and teach them about events in our nation's history while fostering a love of reading that can lead to a lifetime of learning.

Benefits of Patriotism through Literacy:

- Teach kids about various times in American history. Promote empathy and expose students to experiences unlike their own.
- Foster a love of books that leads to a lifetime of learning.
- Spend time with kids in the community in new, creative ways.
- Help youth gain better understanding of American history through nonfiction.

How can I participate in Patriotism through Literacy?

- Volunteer to read a historical or creative nonfiction picture book to kids at your local library.

- Donate historical fiction or creative nonfiction books to local schools, shelters or libraries.
- Host a read-a-thon and award small prizes (stickers, pins) for number of books or hours read.
- Run a writer's workshop for aspiring teen and tween authors at your Post Home.
- Invite an author of historical fiction or creative nonfiction to do a book talk/signing in your area.

Reading has many benefits, including improved grammar and writing skills, improved focus and concentration, and it helps children to understand and share the feelings of others; reading stretches our imagination. As Dr. Seuss said, "Reading can take you places you have never been before."

Involve Youth in ALL Auxiliary Programs

Youth play such an important role in our future. Encourage involvement from an early age in all Auxiliary Programs. Teach youth about Auxiliary efforts to respect and take pride in our country.

Project Examples

- Marching in patriotic holiday parades.
- Help veterans, service members and their families with yard work or household repairs.
- Sending cards or small gifts to the VFW National Home to support families.
- Planning card- and letter-writing events to send mail to our troops overseas or veterans in VA facilities.

- Organizing assembly, collection and delivery of care packages for troops.
- Teaching computer skills to veterans.
- Visiting and volunteering in VA and non-VA facilities. Raising funds for a community

Make Your Auxiliary Accessible to Today's Youth

It has never been so easy to communicate your cause and events to the world. Social media as teaching and information tools have natural collaborative elements allowing our youth to view and comment on each other's activities. They are tweeting on X, posting on Facebook, instantly sending pictures on Instagram and Snapchat and subscribing to YouTube channels. Get online and see what's new!

VFW Scout of the Year Program

Some of our earliest ties to the community involve youth groups and perhaps none are stronger or more lasting than the relationship between the VFW and America's scouting organizations.

The VFW Scout of the Year program recognizes members of the Boy Scouts of Scouting America and Girl Scouts of the Girl Scouts of America for their standout citizenship, patriotism and love of country.
