Hello everyone, let's make the 2025-2026 reporting year a successful year.

Here is a quick overview on what is Auxiliary Outreach?

Auxiliary Outreach is a partnership formed by a VFW Auxiliary with another organization for the benefit of their community or its institutions. It is a donation of time, not in-kind or monetary donations. It's about partnering with other organizations in our communities to help improve where we live.

Auxiliary Outreach can:

- Be performed by people of any age, skill set or ability level.
- Benefit any group of people such as youth, senior citizens and those with disabilities.
- Benefit animals, the environment and public spaces.
- Be done in communities of all types and sizes – rural, suburban and urban, small and large.

We all know summer is a busy time of year and fall is fast approaching. Continuing to volunteer with other programs keeps auxiliaries noticed and reminds us of the needs of others. Putting ourselves out in the community also piques interest about what we are as an auxiliary and what we stand for, which can lead to new memberships.

A friendly reminder is your quarterly reports are due by these dates July 31st, October 31st, January 31 and April 20th.

If you are unsure of whether your project for will count toward the Auxiliary Outreach Program, please feel free to contact me with your questions.
