With fall fast approaching, we need to look at our guide sheets to see what else we need to accomplish. Have you utilized MALTA to get Americanism materials and resources?

- Have you promoted, participated, recognized any patriotic day and/or branch of service birthdays?
- Did your Auxiliary distribute and/or present American Flags, or MOW/MIA flags?
- How many American flags were distributed and/or presented?
- How many POW/MIA flags were distributed and/or presented?
- Report number of Patriotic Appreciation Citations, Certificate of Appreciation or respect for the Flag Citation presented to citizens and/or business in recognition of their displaying the American Flag, POW/MIA flag, and/or other displays of American Pride. Remember to report these to me.

October 13, 1775 is the US Navy's Birthday. If you celebrate, let me know. If you participate in parades and pass out patriotic material, please report.
