

## **Healthy Communication Phone/Text Tree**

Use this phone/text tree to promote Healthy Communication in your Auxiliary.

Whenever members need to be contacted or reminded of meeting or events, the President first calls or texts the Senior Vice-President and Junior Vice-President.

Then each of them would call/text the next person down on the tree. Each member would only have one other person to contact!

## **President**

Senior Vice Junior Vice

Treasurer Secretary

Chaplain Conductress

Guard Chief of Staff
