UNWAVERING SUPPORT

FOR UNCOMMON HEROES™

National Theme: Soaring Above & Beyond

Department Theme: Tell Our Story of Service

Good Job to Presidents on every level! You survived the Holidays thinking now you could take a long deserved break. While I wish I could offer you that option, the truth is now is a busy time for you and your Auxiliaries. Review your committees. Are they performing as instructed? Are your Chairmen reporting regularly in a timely manner? Are members following the By Laws and not discussing Auxiliary business outside of the meeting room? Are you counselling members who violate normal Protocol. Do you include Protocol in your training?

Extension: Don't be caught without an Auxiliary application form with you. Keep a list of Unaffiliated Posts to encourage them to institute an Auxiliary. Check the National website at www.nationalauxiliary.org for materials to provide Posts. Two new Auxiliaries are in the process now. Nashville and St. Johns are both in the Eighth District. That means that 11 more Districts should be looking for Posts to invite to see our presentation.

Reminders:

Distribute Good Job Awards. Everyone likes to be recognized. Familiarize yourself with the website to take advantage of everything that is there for you. Search and browse and you'll be amazed at what you can learn. Report Mentoring activity to Department Chairman Judy Brown.

We're looking forward to a record year for the Department of Michigan! Please do not hesitate to contact Department President Stephanie or me with any questions or concerns.

Happy New Year!
