Do not forget to pull off the NEW UPDATED Guide Sheet for this chairmanship. Also your reports are coming in great but a lot are leaving out the chairman's name. I have only received a couple reports of "Implementing a Mentoring for Leadership Program in your Auxiliary" This must be done for all other items on guide sheet to count.

Following are the last four of the "**8**" **Identifiable P's**

Mentoring for Leadership Use the "8" Identifiable P's

PURSUE – creating positive experiences to all members! Be sure to complement those who have great ideas and move forward if you can with those ideas! Just because it was done once doesn't mean it can't be done again.

PREVENTION – observes and alleviates tense situations. Be a mediator and see both sides. Complement both ideas and discussions.

PROGRESS – seeing the actual results in members. Let the member know that they have great input on whatever your auxiliary is attempting to do. Make sure they are appreciated. A Thank you for what you do goes a long way.

PRIDE – celebrating knowledge of all new mentors. Again a Thank you goes a long way.

Who have been your mentors, in your Auxiliary, District or Department. Let them know how much you appreciate them. Do not forget to let those in your personal life know you appreciate them also.

May God bless and keep you all safe and healthy
