UNWAVERING SUPPORT

FOR UNCOMMON HEROES™

National Theme: Hands that Serve Heart that Care

Department Theme: Be the Anchor for Our Veterans, Hold Them Steady and Safe

We are now about to start our new administrative year with the Installation of Diana Ward as Department President on June 4, 2022.

You should have accomplished the following by now:

- All officers must be installed to hold office.
- Look for a notice in the next weeks from your District President of his/her official visit. They are there to assure you are on track as a healthy Auxiliary. If you feel the need for assistance, make this known to the District President.
- The audit from January-March 2022 should be in the Department office.
- Installation reports are to be in Malta and the Department Office.
- Within the next 30 days a copy of your financial and membership status is to be given to your commander.

Healthy Auxiliaries have things in common:

- They hold a minimum of 10 meetings with a quorum per year
- They perform and mail in quarterly audits
- Officers are elected, installed and reported
- They are always working to recruit new members and retain current members.

The following deadlines will be coming up quickly so get prepared:

- Looking ahead, the bond will be due soon.
- Official visits by District Presidents will be scheduled soon
- The first District meetings of the new year begin in August and September so plan to have representation at those meetings. It is now a By-Law requirement.

Let's all work to have every Auxiliary healthy and thriving this next year. If you have concerns, need help, or know of a post without an Auxiliary that would like one, please call my cell listed below.
