UNWAVERING SUPPORT

FOR UNCOMMON HEROES™

National Theme: Hands that Serve, Hearts that Care

Department Theme: Be the Anchor for Our Veterans, Hold Them Steady and Safe

Hello Sailors!

We are at the beginning of this membership year and I would love to have the finish line in sight before December.

Are you paddling for membership?

*Your first notice for dues should have been sent out already.

*Maybe offer a discount on dues paid early or if they convert their membership to life.

*Pay it forward - for those members who are home bound or in the hospital/nursing home, consider paying those dues for them.

Are you planning a recruiting event? If you are, remember to send to national for free supplies like applications, info flyers on what we do as an Auxiliary, and the eligibility wheel.

Membership is a chairmanship that typically stays the same year to year, so don't forget the importance of membership in this organization.

*Our membership numbers are very important on Capitol Hill when fighting for legislation to benefit our veterans.

Reach out to your annual members with birthday cards and newsletters, don't let the only communication with them be a dues notice.

As always, let's do this sailors!!
