

VFW Department of Michigan & Auxiliary Joint Fundraiser: **Cash for Kiddos!**

Donations from this fundraiser support the National Home's **Family Support Services Fund**. This fund helps the Home continue to provide much-needed services such as professional counseling, tutoring, parenting classes, employment services, as well as other services that our military and veteran families are in need of.

The **Family Support Services Fund** is the foundation of our mission, enabling the support needed for the life-changing opportunities families can receive while living on the campus.

*Let's show our Veterans we care
by providing for their families!*

Please send donations to Department Post or Auxiliary Offices. A check will be sent once a month to the National Home for all money raised that month. The goal is for every Michigan Post & Auxiliary to take part in this fundraiser with the goal of raising **\$10,000!**

Please direct any questions to James or
